Govt HR.SEC.SCHOOL -Madurantakam

Higher Secondary (2019-2024) – 83%

SKILLS SUMMARY

- **Frontend : HTML , CSS , JavaScript.**
Besant technology - Tambaram
- **Backend : Java , PHP .**
Besant technology – Tambaram
- **Database : SQL**
Besant technology – Tambaram
- **Tools : Eclipse , Vscode.**

INTERNSHIP

Web development – Aadasteck

Designed and implemented responsive and visually appealing web interfaces using HTML, CSS, and JavaScript. Collaborated closely with the design team to translate mockups and wireframes into fully functional user interfaces. Gained hands-on experience with front-end development tools such as Visual Studio Code and Chrome DevTools.

Software development and QA - Tenth planet technologies

Developed Java applications and optimized code functionality. Conducted QA testing to ensure software stability and performance. Collaborated on bug fixes and feature enhancements with cross-functional teams.

PROJECT EXPERIENCE

- **Online Voting System:** Developed a secure system with voter authentication, real-time tallying, and anonymous voting using HTML, CSS, and JavaScript, Java servlet.
- **Online Courier Service:** Created a platform for shipment tracking, secure payments, and a responsive interface using HTML, CSS, JavaScript, and PHP.
- **CRUD Operations System:** Built a web application for managing user data with secure login and CRUD functionality using Java, JSP, Servlets, and MySQL.
- **Current project:** Currently working on full stack web application project “Blood bank management system”.
